Why the R2L Empowerment Program?

The COC considers it important to make a positive contribution in strengthening the bicultural LGBTI+ community. That is why we are starting the Respect2Love Empowerment Program this year. The aim of the program is to overcome social and personal barriers, paying attention to the empowerment of individuals and the community.

**We look at strength,
vulnerabilities and have dis-
cussions about leadership,
activism, struggle, acceptance
and independence.**

In the R2L Empowerment Program you will share your experiences with like-minded people, you will be stimulated to reach your goals and to contribute to the community.

You will be guided by a personal coach who will work with you on your personal development plan (PDP). You will be

encouraged to think about:

where am I now, where do I want to go and why?

What can I do for the community and how do I get there?

Do you want to know what else we offer and how the program looks like?

Take a look at our website:

Mail for more information or send a short motivation letter to info@respect2love.nl

We will then contact you to schedule an intake interview.
